

KICKIN VALENTINA plays loud unapologetic rock n roll. In April 2024 **KICKIN VALENTINA** will release their 4th full length album "Star Spangled Fist Fight" worldwide on Mighty Music/Target Group. The album was once again produced by Andy Reilly (UFO, Bruce Dickinson, Cradle of Filth) at Muse Productions in Atlanta, and Mastered by Joel Wanasek. *"It's been way too long since our last album, and we are really excited about "Star Spangled Fist Fight."
